

ISLE OF MAN. WHERE YOU CAN BE SURE OF INTERNATIONAL BANKING EXCELLENCE

The Island's Banking Sector

The Isle of Man has an environment in which individuals and banking businesses of various types can establish, prosper and sustain growth. It offers:

- Aa1 - Moody's
- 3 separate classes of banking licence
- EUSD compliant
- Internationally recognised regulation
- Blue Chip and Specialist international banks
- Integrated wealth management
- Wide product range for individuals and businesses
- World class telecoms
- Network of business professionals with wide expertise.

The Isle of Man is a well established international banking centre. The quality of its reputation and success to date has been securely established on the foundations of political stability, low taxation and the strength of its fiscal, legislative and regulatory controls. This has contributed to over 30 years of sustained growth and a Aa1 rating from Moody's.

The Right Bank

In the increasingly complex world of international finance and market volatility, the Isle of Man offers a safe haven for your banking needs. Banks in the Isle of Man cover the areas you would expect from a world class international centre, namely:

- Retail Banking
- Commercial Banking
- Private & Expatriate Banking

The Right Solutions

As you would expect from a major International Banking Centre you will find a complete range of solutions to ensure that your clients are fully served. Such as:

- Deposits
- Treasury Services

- Foreign Exchange
- Trust & Corporate Services
- Residential Mortgages
- Investment Property Finance
- Commercial Finance
- Corporate Finance

Wide Range of Clients

Whether you are an expatriate, an international trading company, a multinational, an entrepreneur or just looking for an international banking solution you will be in good company in the Isle of Man.

With a wide range of support services from accountants, tax advisors, corporate structuring experts and advocates you will be able to complement your banking needs with the right advice if required.

Well Regulated

The Isle of Man has a reputation as a centre of excellence for expatriate banking and provides a secure location for investments. The Isle of Man Financial Services Authority is the regulatory body for the financial sector in the Isle of Man.

Safe Haven

The Isle of Man has a Depositors Compensation Scheme which may compensate people who hold money with current and deposit accounts in banks and building societies licensed in the Isle of Man if they fail. The maximum compensation is £50,000 calculated per individual (and £20,000 for others) in respect of ALL the accounts held with any deposit taker.
